

Report on Indian Epilepsy Society-7th EEG Workshop 2012

Venue: Auditorium, G.B.Pant Hospital, New Delhi-110002 India

August 11-12, 2012 (Saturday-Sunday)

Indian Epilepsy Society -7th EEG Workshop was held at G. B. Pant Hospital, New Delhi from August 11th & 12th, 2012 (Saturday-Sunday) under the aegis of Indian Epilepsy Society. Dr. Man Mohan Mehndiratta was the course organizer & Dr. Manjari Tripathi was the course Director for the Workshop. We planned to restrict the registration to maximum of 60 but because of enthusiastic response we had to accept more registration and the total number of registered delegates were 124.

This time we further enhanced the participation of faculty from all over India and we invited 37 national and two International faculties for this workshop. Dr. Byung In Lee, Chairman Commission of Asian Oceanian Epilepsy Affairs (CAOA) from Hong Kong & Dr. Lim Shih-Hui Chairman Asian Epilepsy Academy (ASEPA) from Singapore. Due to some unavoidable reasons Dr. Lim Shih Hui was not able to attend this workshop. He delivered this talk through video conferencing. All the presentations were converted into PDF format and written on DVD to save the cost of printing and xeroxing.

This time we have provided Wi-Fi & LAN connection facility to the delegates to access the speaker's PPT presentation & EEG on their laptops or tablets. Another milestone for the first time during EEG workshop was ASEPA-ASNA (ASEAN Neurological Association) joint EEG Certification examination (Part 1) for neurologist, neurology resident and EEG technologist. The purpose of the EEG Certification examination is to establish and improve standards of training and professional practice of EEG in Asia. Fifteen candidates were registered for this exam and thirteen candidates appeared.

IES - 7th EEG Workshop -

CLINICAL PERSPECTIVES

Under the aegis of

INDIAN EPILEPSY SOCIETY (IES) & ASIAN EPILEPSY ACADEMY (ASEPA)

11th-12th August 2012 (Saturday-Sunday)

Venue:

**Auditorium G.B.Pant Hospital,
New Delhi-110002, India**

Application submitted to Delhi Medical Council for Credit Hours.

Disclaimer:

This workshop is likely to improve EEG knowledge and reading skills.

Dear Friends,

We are happy to inform you that the 7th Annual EEG Workshop of Indian Epilepsy Society will be held at G.B.Pant Hospital from August 11-12, 2012 (Saturday-Sunday). These workshops have become a regular phenomenon and are in great demand. This time the theme of this academic activity is "EEG WORKSHOP-CLINICAL PERSPECTIVES". This workshop will benefit the neurology faculty and residents in neurology training.

For the first time this workshop will also be held under the aegis of ASIAN EPILEPSY ACADEMY (ASEPA). It is for the first time that we will have two renowned international experts in the field of epilepsy and EEG participating and teaching in the EEG course. We are much honored that Dr. Lim Shih-Hui Chairman ASEPA and Dr. Byung-In Lee Chairman Commission of Asian Oceanian Epilepsy Affairs (CAOA) will be the chief faculty.

Another milestone for the first time during the EEG workshop shall be that ASEPA – ASNA (ASEAN Neurological Association) – IES will conduct a joint EEG Certification Examination (Part 1) for neurologists, neurology residents and EEG technologists. The purpose of the EEG Certification Examination is to establish and improve standards of training and professional practice of EEG in Asia. The detail information of the EEG Certification Examination could be downloaded from this

website: <http://www.epilepsyindia.org>

The examination fee for the Part 1 Examination shall be US\$120. The registration will be limited to 50 delegates on first cum first serve basis.

We are working hard to give an academically rich program. Looking forward to see you soon.

Course Organizer: Dr. M M Mehndiratta

Course Director: Dr. Manjari Tripathi

TENTATIVE PROGRAM

Day 1-11th August 2012 (Saturday)

11.00 am Onwards Registration

12.30–01.30 pm **Lunch**

Inauguration:

Chairpersons: Dr. M.Vasantha.Padma & Dr. Kuljeet.S.Anand

01.30–01.45 pm History of EEG – **Dr. Satish Jain**

01.45–02.45 pm Epilepsies according to the ILAE Classification
– **Dr. Gagandeep Singh**

02.45–03.45 pm Clinical importance of the physics of the EEG system
– **Dr. Sita Jai laxmi**

03.45–04.30 pm Normal EEG- Adult – **Dr. Samhita Panda**

04.30–05.00 pm How to increase the yield of EEG – **Dr. Garima Shukla**

05.00–05.15 pm **Tea Break**

Chairpersons: Dr. Kameshwar Prasad & Dr.Kiran Bala

05.15–06.15 pm Clinical implications of artifacts – **Dr. Geeta Khwaja**

06.15–06.45 pm EEG patterns in generalized epilepsies –Guess the syndrome
– **Dr. Bindu Menon**

Chairpersons: Dr. Madhuri Behari & Dr. Debashish Chowdhury

06.45–07.45 pm Focal epilepsies where is the source
– **Dr. Ashalata Radhakrishnan**

07.45–08.15 pm Is this a normal pattern – **Dr. Neera Choudhary**

08.15–09.15 pm Focal or generalized Interictal Epileptiform Discharges –Distribution based analysis
– **Lim Shih- Hui (Singapore)**

09.15 pm onwards **Dinner**

Day 2- 12th August (Sunday)

Chairpersons : Dr. Manvir Bhatia & Dr. Pushendra N Renjen

08.00–09.00 am My patient has altered sensorium will the EEG help?
– **Dr. Sangeeta Ravat**

09.00–10.00 am EEG recording and normal EEG in Neonates and children
– **Dr. Sheffali Gulati**

10.00–11.00 pm Epilepsies in neonates – **Dr.K.P Vinayan**

11.00 –11.30 am **Tea break**

Chairpersons : Dr. Lakshmi Narsimhan & Dr. Rajesh Garg

11.30–12.30 pm EEG of Catastrophic epilepsies in childhood
– **Dr. Suvasini Sharma**

12.30–01.30 pm Periodic discharges in EEG – **Dr. Sanjib Sinha**

01.30–02.00 pm **Lunch**

Chairpersons: Dr. V. Natrajan & Dr. Vineet Suri

02.00–3.00 pm Seizure semiology – **Dr. Manjari Tripathi**

03.00–04.00 pm Ictal EEG – **Dr.Byung In Lee**

04.00–04.15 pm **Tea break**

Chairpersons Dr. Vinod Puri & Rajeev Anand

04.15–04.45 pm EEG of reflex epilepsies – **Dr. P Satish Chandra**

04.45–05.15 pm When do I need to do a EEG – **Dr Meena Gupta**

05.15–06.15 pm Interesting case presentation:
– **Dr. Vinod Puri, Dr.Achal Srivastava & Dr. Sanjay Pandey**

05.00-08.00 pm ASEPA EEG Examination

06.15–07.15 pm Hands on – EEG reporting- All Faculty Members coordination by
– **Dr MM Mehndiratta. & Dr. Manjari Tripathi**

Feedback

Vote of Thanks – **Dinner**

Delegates will have the facility to see the PPT & EEG on Laptops through Wi Fi router LAN.
